

HOOSIER FIRST!

Bradshaw Construction, An Out-of-State Contractor on an Indianapolis Project?

ASK YOURSELF WHY?

- **Ask Mayor Ballard why our hard-earned tax money is going to out-of-state contractors when safe and efficient Hoosier companies can do this work?**
- **Ask Mayor Ballard why we have out-of-state workers working construction jobs while hard-working Hoosier men and women sit at home?**
- **Ask Mayor Ballard why we aren't keeping our tax money in Indiana.**
- **Ask Mayor Ballard why we aren't keeping our own Hoosier workers employed.**
- ***Let's say YES, to Indiana companies and Indiana workers.***
- ***Let's say NO to out-of-state contractors!***
